Fly through the air and pedal as you go to collect points and win redemption tickets. A real active game that will get your legs pumping and heart rate up with fun packed levels with obstacles to fly through and around.

Steer your craft through the air to hit the balloons, for points and for special in game bonuses and abilities.

The built in air blower circulates air towards the player to increase the sense of immersion and the feeling of flying through the air.

The graphics displayed on twin high definition screens transport the players into a lush, detailed 3D world, accompanied by exciting sound effects and charming soundtrack to complete the experience.

Suitable for children (ages 3 and up) and adults. For indoor use.
