2 player sit-down water game with interactive videogame for little kids. Point the duck shaped controllers to move the water spout and direct the floating rubber ducks into the archways to score points. Game progress is reflected on the screen.

With 2 seats, suitable for children and adults to play together in a fun experience for all ages.

Little ones love the cute ducks and the splashing excitement from the water, all safely contained within the cabinet.

With LED lighting, cute 3D computer graphics, multi-coin mechanisms, optional redemption ticket payout, card system compatible. Operator adjustable settings for game length, ticket payout and mercy tickets.
